

Strut Your Stuff

at the 17th annual Hermansky-Pudlak Syndrome Network Conference

Reach more than 250 visually-impaired attendees and their families from around the country - all affected by HPS, a rare type of albinism.

Join us in Uniondale, NY, March 19-21, 2010 at the Uniondale, Marriott. For 17 years the HPS Network has produced the only conference in the world for those affected by HPS. For the last four years our attendance has been above 250. Families come in search of solutions. Show them what you have to offer.

Conference sessions focus on living with HPS. Some are scientific while others address psycho/social issues. Our theme this year is "Believe in Your Dreams."

Exhibit tables are available for \$300 - that's about **\$1.50 per potential lead!** The HPS Network is a 501C3 non-profit. All funds will go to producing the conference.

Your exhibit table will include a table and distribution of a flyer or other promotional handout in our conference registration packets (if submitted by deadline.) The fee does not include hotel or other expenses.

Our exhibit area will be held in a room directly next to conference registration on Friday, March 19 from 2:00 pm to 7:00 pm. On Saturday, exhibits will move to the ballroom hallway to offer you maximum access to attendees. The exhibit area will be open from 8:00 pm to 5:00 pm. Exhibitors are welcome to attend conference sessions as well.

There are a limited number of electrical hookups in this venue - they will be given on a first-come, first-serve basis based on completed registration.

Can't travel to New York?

For \$100 we will include any promotional flyer or other promotional material in our registration packets.

Maximize your exposure - become an event sponsor! (Sponsorships are subject to approval by our board of directors to ensure they do not conflict with our conflict of interest policy.)
